SEMINARS

Shaw's Construction Materials Group was again successful hosting the popular Product EXPO Tradeshow & Technical Seminars. With sessions starting at 8:00am and running continuously until 4:00pm, attendees had a chance to both listen in on the presentations, as well as engage industry experts afterwards at their booths for one-on-one discussions.

For those that were unable to attend, we would like to direct you to www.ShawPrecastSolutions.com – you will have the opportunity to view these informative Precast Technical Seminars on your own time at your leisure.

TRADESHOW & TECHNICAL SEMINARS

Thank you!

SHAW COMPANIES HAVE BEEN LEADING THE WAY IN CONSTRUCTION INNOVATION IN ATLANTIC CANADA FOR 150 YEARS.

In the process we have developed an exceptional network of industry experts. At ProductEXPO we brought this combined expertise to you. Both the tradeshow and technical seminars were packed with useful information, trend-setting ideas, and cutting-edge techniques to help our customers stay ahead. The best and latest products and materials were showcased to help you build better.

THE SHAW CONSTRUCTION MATERIALS GROUP WOULD LIKE TO THANK ALL THOSE WHO TOOK THE TIME TO ATTEND OUR 2011 SHAW PRODUCT EXPO

With more than 450 attendees registered for the trade show and technical seminar sessions the event proved to be a very worthwhile day. With nineteen technical sessions offered throughout the day, industry professionals, specifiers, contractors, and owners were able to learn from experts about the wide, diversified range of products offered from the Shaw Group Limited.

Missed Our Precast Technical Seminars? Don't worry, all 2011 Product EXPO seminars will be available online at shawprecastsolutions.com

A special thank you to our suppliers & exhibitors for making this event possible...
